

VOICE MOBILITY ANNOUNCES CHANGES TO ITS MANAGEMENT TEAM AND BOARD OF DIRECTORS

VANCOUVER, BC, CANADA – April 5, 2007 – Voice Mobility International, Inc. (TSX: VMY, OTCBB: VMII and FWB: VMY), a Vancouver based developer and provider of carrier grade enhanced messaging solutions, today announced the departure of Jay Hutton, President and member of the Board of Directors.

Effective immediately the company will be consolidating the role of President under CEO Randy Buchamer who will be responsible for running the sales and operations of the company.

“We would like to thank Jay for his many years of contribution to Voice Mobility and wish him success in his future endeavors”, said Randy Buchamer, CEO, Voice Mobility.

About Voice Mobility

Designed for enterprises and telecommunication service providers in the wireline, wireless and broadband markets, the Voice Mobility UCN solution provides highly scalable VoiceMail, Unified Messaging, Fax Services, Interactive Voice Response, and Auto-Attendant applications, as well as unique features like: Find Me/Follow Me, Spoken WebFeeds, and Voice SMS. Telecommunications providers can lower administrative and capital costs without disrupting current revenue streams and achieve incremental revenue growth by providing both new and enhanced service offerings that complement their current marketing mix.
